

HELP US CROSS THE FINISH LINE !

Friends of Walpole Community Athletic Complex P.O. Box 15 East Walpole, MA 03032
www.walpolefields.com

Dear Friend –

We are approaching the finish line of a LONG race and need your help to cross it ! The Friends of WCAC began a very ambitious project a year and a half ago to construct a multi-use, state-of-the-art athletic field and high school sanctioned running track that will benefit athletes of all ages from youth sports to high school, as well as provide a space for those of us “our” age to walk, jog or (god forbid !) RUN ! After the planning, the fund-raising and the design of this facility, we can see our project taking shape. If you haven’t had the chance, we urge you to take a drive up to Turco Field and witness this beautiful site.

Over \$1.5 million dollars has been raised and/or appropriated to date. We are at 95% of our goal. Here’s where you come in. By receiving this letter, you have no doubt already contributed to the project. We are holding a FUN(d)raising event to help us reach our final goal. This event should be the LAST one of it’s kind in Phase I.

Please join us on Saturday, November 17th 2007 at Finnegan’s Wake beginning at 7:30 PM. Admission is FREE. There will be raffles, an AWESOME silent auction and live auctions. Entertainment will be provided. The function hall and food will be donated thanks to the generosity of Tom Kirwin and Kristen Smith from Finnegan’s. The rest it up to US !

Donations (either in CASH or in checks payable to W.C.A.C.) are welcome. Please use the enclosed envelope and response sheet. We will place your name(s) on our door list. Have a raffle/auction prize that you want to donate? Great ! Please fill out the enclosed form and return with your check.

TOGETHER, we can cross the FINISH line for this remarkable project ! Want to help out ? Contact us :
